

Task 0 - Let's introduce ourselves

Statement: Dear students, I've thought it would be ideal to get to know each other a little bit more. So this is what I would like you to do: I would like you to share with everyone as many interesting facts about you as the number of letters in your name. For example, my name is Borja, B-O-R-J-A has 5 letters and that means I have to share 5 facts about me. Feel free to add some photos.

Answer: Hey everyone!

My name is Roldán, R-O-L-D-Á-N has 6 letters and because of that I have to share 6 facts about me. Here are 6 facts about me:

- 1) Until 2021, I was living in Valencia with my parents. Then, in 2021, I moved to Albal (a small town of Valencia). It was a peaceful place and my girlfriend and I loved to live there. Unfortunately, in 2022 the landlord told us that he was about to sell the apartment and therefore we had to move.
- 2) We found our next rental in Massamagrell (another town, a bit bigger than Albal). Massamagrell is in the north of Valencia (what we call "l'Horta Nord", something like Northern Orchard).
- 3) I like playing video games, but I do not consider myself a gamer. I don't really care if I play Nintendo Switch, mobile or PC because I enjoy every platform.
- 4) I am such a big fan of Pokémon (Pocket Monsters). I think people know it because everybody knows Pikachu, a little yellow mouse, and his owner Ash.

Ash and Pikachu from Pokémon TV series.

- 5) I am studying a Higher Vocational Education in Cross-platform App Development (DAM in spanish) and this is my 2nd year studying it at CEED (an online education institution).
- 6) I have a 6 months dog called Rayo (Lightning or Lightning bolt). He's a Yorkshire mix and he is so sweet, obedient and small. He also loves sleeping all day long.
